

## BEULAH-SUPPORTED MISSION & OUTREACH

**Coalition for Christian Outreach** is a ministry to young adults on college campuses in the tri-state area, which has been meaningful in the lives of many Beulah young people. By giving to their general fund, we enable the Coalition to decide where the money is most needed. They are very responsible about maintaining regular, personal communication with us. <http://ccojubilee.org>

**East Liberty Family Health Center** provides high quality, low cost medical and dental care to those with low incomes or no medical insurance, and even to regularly insured patients. Cathy Gillis is our representative. At least a dozen current or former members use their doctors and are pleased. They send regular newsletters. [www.elfhcc.com](http://www.elfhcc.com)

**Garfield Community Farm's** mission statement says, "We seek to learn, teach, and practice organic gardening and farming in the places that have been neglected and abandoned, in and with the neighborhood of Garfield." Beulah youth regularly help with gardening chores and enjoy the opportunity to contribute to the community. [www.garfieldfarm.com](http://www.garfieldfarm.com)

**Malawi Partnership and Migowi C.C.A.P.** has been Beulah's sister church for 15 years now, and we have exchanged visits several times. Communication with them has become easier with their ability to email, and we have been able to maintain closer ties with Migowi than most churches which participate in this project of the Pittsburgh Presbytery. Our garden project has become a model for other similar projects, and we provided funds for relief from recent, disastrous flooding.

**New Wilmington Mission Conference** is an annual program at Westminster College to encourage people, especially the young, to consider mission work as a career through providing Bible studies and opportunities to meet mission fieldworkers. It has an excellent international reputation and a number of Beulah people attend it. They are exceptionally good at providing information about their conference and maintaining personal contact. #### BEULAH-DIRECTED OUTREACH ACTIVITIES

**Adult Mission Trip** The Mission Outreach Support Team (M.O.S.T.) organizes an annual mission trip for multiple churches in the Presbytery.
