

Beulah Presbyterian Church

Our Values:

- **We are committed to authentic, Spirit-filled, Christ-centered worship in all aspects of our lives.**
 - While we are awe struck by our worship on Sunday mornings, we recognize that the vast majority of our worship takes place Monday through Saturday! In the faith community of Beulah Presbyterian Church, we offer our whole selves as a living sacrifice, which is our reasonable act of worship.
- **We welcome and celebrate the diversity of our community; dedicating ourselves to meeting the needs of our neighbors.**
 - Throughout our 240-year history, Beulah has seen the ebb and flow of change in our beautiful and diverse community. As we continue to serve our neighbors, we devote ourselves to creating a church where everyone belongs in the Kingdom of Christ and to growing to meet the needs of those around us.
- **We are dedicated to building the congregational life of those who call Beulah their home.**
 - We seek to build a healthy congregation for children, youth, and adults where all can continue the life-long journey of growth in Christ. Our focus is on *education* through our discipleship opportunities, *lasting relationships* through our small group and fellowship offerings, and developing *spiritual gifts* of compassion, hospitality, grace, and forgiveness through our engagement with the word and world.
- **So that we can work to build up our community for the glory of God's kingdom!**
 - Our congregational strength is the vehicle through which we will build the Kingdom of God. With God's help, our healthy congregation of children, youth, and adults will serve our neighbors in need, develop strong relationships with mission partners, both locally and around the world, and care for the creation that God has given to us.
